Weekend Overview

GIVING JESUS YOUR HEART - A Spiritual Transplant Retreat is designed to give a disciple of Jesus a renewed, yet new perspective on their relationship with Him.

Through Mass, Scripture, prayer, guided imagery, spiritual direction, individual lodging and communal meals, disciples will be asked to enter into a deeper understanding of the Paschal Mystery. This deeper understanding of the Paschal Mystery will serve as an opportunity for the disciple to begin daily, preventative monitoring of their spiritual heart health before, during and after this retreat.

Common Symptoms of Human Heart dis-EASE

- Are you facing major changes and challenges in your life?
- When you pray, do you discover there are blockages?
- Have you allowed your daily life to clog your relationship with Jesus?
- Do you want Jesus, the Divine Healer, to open these spiritual blockages and clogs?
- Finally, are you ready to give Jesus your human heart to allow Him to become the spiritual transplant Donor for your new/renewed commitment to His Sacred Heart?

The Treatment

- If you answered YES any or all of the questions above then you may be a candidate for the *GIVING JESUS YOUR HEART - A Spiritual Transplant Retreat*.
