Are you struggling to find meaning in the seeming chaos that is 2020?

As Christmas draws near, you are invited to consider this:

*When God came into our world, it could have been in any number of ways: a world tour, a celestial spectacle, an appearance in Rome, on and on. What God did was far more mundane, but quite wonderful: **God created a family.***

Join us as we gather (via Zoom) on Friday, December 11th from 3:30 - 9:00 p.m. (Eastern), and continue on Saturday, December 12th from 8:15 a.m.-3:15 p.m. (Eastern) for a series of conferences, times for quiet reflection, and times for prayer.

As part of this retreat, there will also be opportunities for 20-minute spiritual direction sessions offered by WVIS Spiritual Directors. These individuals will be available to listen to whatever you desire to share and assist you in hearing what God may be saying to you at this moment in your life.
