

Certified WVIS Supervisors

The West Virginia Institute for Spirituality has certified Supervisors who will offer those who work as **spiritual directors** a safe space in which to reflect on their practice and be accountable, all in order to grow and be of greater service to their directees. All Supervisors are available to meet with you on Zoom, FaceTime, Skype or some other virtual technology.

We recommend that you contact and have an initial meeting with at least two of our Supervisors as part of your discernment process for receiving supervision.

The donation for Supervision ranges from \$75 - \$100 per session. You will coordinate this and/or discuss exceptions directly with your Supervisor.
